SOROPTIMIST®
Investing in Dreams

What We Do

Soroptimist's *Live Your Dream Awards* program is a unique education award for women who provide the primary financial support for their families. The *Live Your Dream Awards* give

women the resources they need to improve their education, skills and employment prospects.

Every year, Soroptimist distributes more than \$2.8 million in education awards to about 1,700 women all over the world.

Over half of our Live Your Dream Awards recipients are survivors of domestic violence, trafficking or sexual assault. Live Your Dream Awards recipients may use the cash award to offset any costs associated with their efforts to attain higher education, such as books, childcare, tuition and transportation.

Davis Youth Softball

Davis Youth Softball, founded in 1976, is a recreational softball league for girls in Davis ranging from 4-16. DYSA offers several different programs to satisfy the needs of all our young athletes.

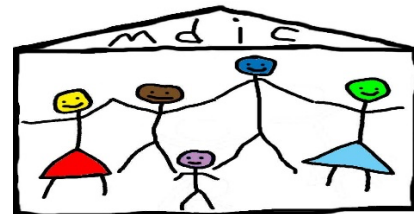

We concentrate on sportsmanship, healthy physical fitness, and the leadership lessons that come with sport.

Everybody Plays!

Supporting the SIGD Golf tournament allows DYSA to offer scholarships, equipment grants, and training for our community so no player is turned away.

Yolo MDIC

In an ideal world, no child would be abused. The reality is that many children are abused. The criminal justice system can make things worse for child victims by interviewing them over and over with different people from different agencies. They can get confused and overwhelmed, and so can their families.

The MDIC is a child friendly, safe, and supportive environment where child victims of sexual abuse, and their families, come for forensic interviews, advocacy, therapy, evidentiary exams and support services. The MDIC serves all child victims in Yolo County.
